

Inspired in design, comfort and simplicity, LIVING COLLECTION residential lifts offer a range of extraordinary possibilities. We combine creativity, technical know-how and professional commitment to ensure an exceptional construction and lifelong durability. The highest standards of quality and safety are assured.

LIVING MINI is the smallest lift on the market, and particularly suitable for limited living areas where you don't want to give up any space. You can fit the lift, for example, in the middle of a staircase, in a wardrobe or next to the refrigerator. Select from a variety of options to ensure the lift truly blends into your home.
